**"We secure what you value the most"**

**INTRODUCTION:****ELEVATING SECURITY  
WITH ARGUS****1 ABOUT ARGUS:**

With a legacy of excellence spanning over 24 years, Argus has emerged as a beacon of reliability and innovation in the realm of electronic security. Our journey is defined by a relentless pursuit of excellence, ensuring that businesses and individuals experience security without compromise.

**2 "WE SECURE WHAT YOU  
VALUE THE MOST"**

At Argus esspl, our tagline "We secure what you value the most" encapsulates our core commitment to safeguarding what matters most to you. Whether it's your business, data, or peace of mind, our tailored security solutions are designed with your unique priorities in mind.

**3 ARGUS PREMIER  
SECURITY  
INTEGRATION**

At Argus, we take pride in our position as India's premier Electronic Security System Integration Company. Argus sets the standard for excellence in security integration, ensuring our clients benefit from the most innovative and effective solutions available.

**4 ARGUS DIVERSE  
PRODUCT PORTFOLIO:**

From cutting-edge Fire Alarm & Detection Systems to sophisticated Access Control and Monitoring solutions, CCTV and Intrusion Detection Systems, our offerings cater to the unique demands of different industries.

# OUR CORE SERVICES

**01**

## INTEGRATED ELECTRONIC SECURITY SOLUTIONS

- From robust access control systems to comprehensive CCTV surveillance, we ensure a seamless, interconnected approach to safeguarding your premises

**02**

## INTRUSION DETECTION SYSTEMS

- Stay one step ahead of potential threats with our intrusion detection systems. Real-time alerts and swift responses to unauthorized access attempts define the core of our intrusion detection services.

**03**

## ACCESS CONTROL SYSTEMS

- Tailored solutions to restrict unauthorized access and track movements seamlessly.

**04**

## FIRE ALARM & DETECTION SYSTEMS

- Cutting-edge technology to detect and respond to fire hazards promptly.

**05**

## CENTRALIZED MONITORING STATION (CMS)

- Experience the power of centralized surveillance with our CMS. Ensuring rapid response and 24/7 monitoring, Argus consolidates security management for heightened efficiency.

**06**

## COMPREHENSIVE BUILDING MANAGEMENT

- Elevate your facility management with our integrated building management system (IBMS)

**07**

## ELECTRICITY MANAGEMENT SYSTEMS

- Promote sustainability and significant cost savings with our advanced electricity management systems. Argus not only secures your premises but also ensures responsible energy consumption, aligning with eco-friendly practices.

Unlock Savings up to 15%

# ELECTRICITY MANAGEMENT SYSTEM BY ARGUS:

## WHAT IS IT?

Our Electricity Management System revolutionizes the way you approach energy consumption, offering the potential to save up to 30% on your current electricity expenditures.

### Comprehensive Energy Audit:

- Our experts conduct a thorough energy audit to understand your current consumption patterns.

# 15%

Enjoy significant cost savings of up to 30%, ensuring a direct impact on operational expenses.

### Seamless Integration

Effortlessly integrates with your existing infrastructure

### Cost Efficiency

Reduce operational costs by optimizing electricity consumption

### Operational Savings

Cut down on electricity bills, contributing to overall operational savings.

### Predictable Budgets

Eliminate unexpected spikes in electricity costs.

## WHY IS IT BENEFICIAL?

Establish predictable monthly budgets, minimize the impact of unpredictable spikes, and seamlessly integrate the system with your existing infrastructure.

### Data Analysis and Insights:

- Analyze collected data to identify patterns, peak usage times, and areas for improvement.

### Smart Metering Technology:

- Implement advanced smart metering technology to monitor real-time energy usage.

# REVOLUTIONIZING SECURITY WITH FINANCIAL EASE

**For the first time in India, ARGUS ESSPL has introduced a new concept wherein we offer our burglar alarm system & CCTV for your branches on a “Monthly Service Basis”.**

## Duration of payouts

- **TERM**

The term component of the payout structure ensures that clients have a clear understanding of the duration over which monthly payments are made.

- **LIFE**

The life component ensures that clients have a clear understanding of the expected duration for which the security systems are designed to operate optimally

## Service Overview

## Benefits of OPEX Module

- 1 **Predictable Monthly Costs:** Enjoy cost predictability for budget planning
- 2 **Affordability:** Spread the cost of security systems over time.
- 3 **Scalability:** Adjust rental charges based on scalability needs.
- 4 **Comprehensive Services:** All aspects of hardware, service management, and electricity
- 5 **Financial Planning:** Easier financial planning with a fixed monthly expenditure.

# CMS EXCELLENCE WITH ARGUS ESSPL

## 01. Centralized Monitoring Station (CMS)

Argus ESSPL offers a state-of-the-art CMS, ensuring centralized surveillance and rapid response to security events.

## 02. Multi-Site Surveillance

Our CMS supports multi-site remote monitoring, allowing businesses to streamline security operations across various locations seamlessly.

## 03. Real-Time Vigilance

Experience 24/7 monitoring services that provide real-time insights, enhancing situational awareness and swift decision-making.

## 04. Cutting-Edge Video Analytics

Leveraging advanced video analytics, Argus ESSPL's CMS goes beyond traditional monitoring, providing intelligent insights for proactive security measures.

Argus Centralized Monitoring Station (CMS) is not just a security solution; it's a guarantee of rapid, efficient, and comprehensive surveillance. With state-of-the-art technology, 24/7 monitoring, and a dedicated team, our CMS stands as the backbone of safeguarding your assets. Trust in the power of centralized surveillance, trust in Argus for a safer, smarter future.
